Golf Ball Drop Rules

At approximately 5:30 p.m. on the day of the golf outing, Kendall Copters will hover directly over a green at The Creek. The winning ball will be the ball that rests in the cup after all the golf balls have been dropped, or if no ball rests in the cup, the winning ball will be the one closest to the cup. If there is a tie, a second ladder drop will be performed with the same rules stated above. Need not be present to win.
